

Allenton Primary Spring 2

NEWSLETTER

As one of the shortest terms, you'd expect that there would have been less happening, but that's certainly not the case at Allenton! Children have been to Matlock, down the road to Shelton Infants, having Lunar assemblies, dressing up for World Book Day and all sorts of other exciting activities!

Our community

Once again, there have been a plethora of events involving our community, both within and beyond the school gates,

We have had the marvellous Science Showcase and book look in school, sharing how children have been working scientifically. The Easter Enterprise has had parents/carers in making and creating wonderful items for sale at the Easter Enterprise. Many created Easter bonnets and gardens at home, for the Easter Egg-travaganza and sang beautifully to all the parents and carers too.

Our choir has been out to St Martin's to sing. The Eco-club have continued to gather and plant a variety of donated bulbs and seeds, while the DEIB group and Library Leaders have worked together to make the library more representative.

Important Dates

Monday 13th April - first day back at school
Monday 4th May - Bank Holiday
Monday 11th May - SATs week
Wednesday 20th May - Geography Showcase
Friday 22nd May - Last day of term
