

Allenton Primary Autumn 2 NEWSLETTER

What a fantastic half term it has been, with so many exciting events, experiences and learning! There have been trips to places such as: Cosford and the National Space Centre. Visitors and workshops such as: the Ancient Egypt Day, mountaineer Miles Hilton-Barber, author Lanisha Butterfield and Stargazing. Local visits such as: walking to see the Allenton Hippo bones and visiting the war memorial. There's more to come in the New Year but a brilliant Autumn!

Our community

During this half term we've had lots of community involvement, both from inviting parents/carers in but also making connections in and around Allenton.

The Maths Market has been a great success, including sessions where parents/carers came in to help with making products - thank you for all of your buying at the market, we'll be using this money to buy more Maths resources to use in lessons. The money raised from the raffle has gone towards a book each for the children - thank you!

It was wonderful to see so many people at the Nativity for the children - they did so brilliantly in their first performance!

We've also been out into the community with the choir and FS singing at St Martin's church and the Salvation Army, and Art club have made Remembrance pictures to go in the Co-op funeral care windows. We're so glad to be part of Allenton!

Thank you

Important Dates

Monday 5th January - first day back at school

Wednesday 21st January - INSET Day

Thursday 12th February - Wellbeing Fair
